HABITATION

Our European engineered oak flooring is available in five stunning shades, including a smoked option. The Habitation collection is brushed and oiled so offering a slightly textured surface and also comes in parquetry, whose origins lie in medieval Europe.

| Skirting | 60 x 2000 | 20 | Brushed and Oiled Engineered Oak | All |

Shade Variation / V4 - Extreme

Material / Brushed and Oiled Engineered Oak

Installation Notes: We strongly advise you employ an experienced wood fitter to carry out the installation. Engineered planks are sold by the pack only. Each pack contains 1.68m². No sealing is required. Smoked colours feature a higher level of colour variation.

Print colours may vary from original. Wood samples should be requested.

If you require any further assistance regarding specification data, technical advice or samples, please contact us at specification@claybrookstudio.co.uk
