Shade Variation / V3 - Moderate

Material / Terracotta

Installation Notes: Requires sealing. Please refer to the Claybrook Terracotta Installation Guide for installation and sealing process. We strongly recommend an experienced Terracotta fitter is employed.

Tiles should be unpacked and dry laid prior to installation to ensure any natural variation is evenly distributed across the floor or wall. Samples will be sent unsealed.

Print colours may vary from original. Tile samples should be requested.

If you require any further assistance regarding specification data, technical advice or samples, please contact us at specification@claybrookstudio.co.uk
