# OSAKA

These most elegant and pretty matt finish tiles and decors have a hint of Japanese simplicity and a soft crackle finish. The exuberant chrysanthemum pattern is particularly striking.

**Installation Notes:** These tiles will require sealing with LTP Porcelain Tile Protector. For wall use only. We do not recommend the use of black or dark coloured grouts with a crackle glazed tile, especially with white or lighter coloured tiles. The dark grouts can leave a residue in the crazing or discolour the tiles. All tiles should be tested with the grout you are planning on using before installation.
