SANCTUARY

The soft colours of the base tile paired with ecclesiastical designs of the decors, which are also available in this range, provide a calm feel with an understated charm. A subtle mini-crackle effect glaze adds to the quiet beauty of the range.

Installation Notes: These tiles will require sealing with LTP Porcelain Tile Protector. For wall use only. We do not recommend the use of black or dark coloured grouts with a crackle glazed tile, especially with white or lighter coloured tiles. The dark grouts can leave a residue in the crazing or discolour the tiles. All tiles should be tested with the grout you are planning on using before installation.
