

SPOKANE SHOWER TRAY

Care and Maintenance Instructions

IMPORTANT NOTES:

Please Read Carefully & retain these instructions for Future Reference.

USE:

General Care & Maintenance

Provided this product is installed & used in accordance with these instructions, problems should not arise. However, should maintenance be required it should be carried out by a competent person with reference to these instructions. Before any work is carried out the root cause of the problem must be identified.

Under normal circumstances, tray surfaces are highly durable & scratch resistant, however small scratches / marks may occur with frequent use, these can generally be polished out using a mild cutting compound (T Cut or similar) taking care not to break through the gloss surface.

Contact Claybrook Studio Limited if you require the name of a recommended hard surface repair specialist. enquires@claybrookstudio.co.uk

Cleaning

(Every one to two weeks depending on local water {hardness} conditions).

Use ONLY mild soap / detergent solutions to clean. Rinse with water, & wipe dry with a soft cloth. Under no circumstances use abrasive, caustic or scouring products as these may adversely affect the gloss finish of the tray. Avoid using cleaners that leave waxy residues which become very slippery when wet.

Daily Care

To prevent the build-up of limescale, do not allow water droplets to dry on tray. After showering, rinse with clean water & wipe dry with a soft cloth.

Limescale ~ should a build-up of limescale occur, it can usually be removed using a 50:50 solution of white vinegar & water applied with a soft cloth & rinsed / dried thoroughly afterwards.

Customer Service

Quality Guarantee: Claybrook Studio Ltd guarantee shower trays against any manufacturing or material defects for a period of 10 years from purchase. We will resolve defects by repairing / replacing parts as we feel necessary.

Not Covered by this Guarantee : Damage or defects that result from improper installation, improper use, or lack of maintenance (including limescale build-up). Damage or defects that result from repairs / modifications undertaken. This guarantee is in addition to statutory & other legal rights.
